JOHN J. HOFFMAN Acting Attorney General

COLONEL JOSEPH R. FUENTES Superintendent

Dear Member of the Law Enforcement Community:

We are pleased to provide you with an updated New Jersey State Police Firearms Investigation guidebook. This guidebook was prepared by the New Jersey State Police Firearms Investigation Unit to help ensure that firearm regulations in New Jersey are enforced in a standardized manner. The guidebook covers every aspect of the firearms application process, clarifies background investigations, and introduces a uniform report for recording the findings of the investigator. In addition, details regarding the qualifications and procedures necessary for a retired police officer to obtain a Retired Law Enforcement Officer Permit to Carry a Handgun is contained within.

We strongly encourage you and your colleagues to utilize this guidebook. You will find that many of the most common questions regarding the firearms application process are answered clearly and concisely in this reference manual.

As members of New Jersey's law enforcement community, we have a direct responsibility to ensure that the state's firearms laws are enforced in a uniform and judicious manner. To this end, we hope this guidebook will enhance your own agency's efforts in this most important area.

If you have any questions that are not answered in this guidebook, or any other concerns or comments, please do not hesitate to contact a member of the Firearms Investigation Unit at 609-882-2000, extension 2060.

FOR COLONEL JOSEPH R. FUENTES SUPERINTENDENT Sincerely,

Captain David Hill Bureau Chief Background & Compliance Bureau Special Investigations Section

This guide was prepared and distributed by the New Jersey State Police, Firearms Investigation Unit, Background and Compliance Bureau, Special Investigations Section. It is intended to serve as a statewide guide, making uniform the processing and investigating of firearm applicants. Members of the Division of State Police are required to follow all procedures contained herein. Members of the Division of State Police and municipal police agencies are to thoroughly review this guide and to adopt these procedures for processing firearm applicants.

New Jersey Statutes (<u>N.J.S.</u> 2C: 58-3 et seq.) are the foundation for firearm applicant investigations. These statutes are reinforced by the New Jersey Administrative Code (<u>N.J.A.C.</u> 13:54-1 et seq.). Authority is vested in the Superintendent of State Police and the Chief of Police of an organized, full-time police department to investigate firearm applicants and to approve or disapprove issuance of permits. The conditions that firearm applicants must meet are outlined in <u>N.J.S.</u> 2C: 58-3.c.

This guide will discuss and review the procedures for investigating individuals who make application for State of New Jersey Firearms Purchaser Identification Cards and/or Handgun Purchase Permits, including Duplicate Firearms Purchaser Identification Cards and Permits to Carry a Handgun. It will clarify many of the misunderstandings associated with the background investigation process. It will also introduce a uniform report employed for recording the findings of the investigator.

Contained within are samples of forms used to process and investigate firearm applicants. These forms are available to any police department through a request forwarded to the Firearms Investigation Unit at Division Headquarters or through the New Jersey State Police web page, <u>WWW.NJSP.ORG</u>. (Follow the prompts at the top of the page for "SERVICES" drop this menu down and check "FIREARMS" then "FORMS TO DOWNLOAD.") It should be noted that the State of New Jersey Firearms Applicant Investigation Report is no longer available on the web page. This report is available upon request by contacting the Firearms Investigation Unit at (609) 882-2000, extension 2060.

Both the forms and fee schedule in this guide are based on New Jersey law and the Administrative Code. All Police departments should be aware that N.J.S. 2C: 58-3.f states, in part, "There shall be no conditions or requirements added to the form or content of the application, or required by the licensing authority for the issuance of a permit or identification card, other than those that are specifically set forth in this chapter." Therefore, applicants cannot be required to submit resumes, photographs (other than for permits to carry), diagrams of their residence(s), or any other information not stipulated by law or code. Applicants cannot be required to complete additional forms, not directly stipulated by law or code. Additionally, they can not be required to pay processing fees, separate fees for the collection of fingerprints (other than the contracted fingerprint vendor processing fee), fees to process the Mental Health Records Search form, or any other fees. However, the courts have maintained that firearm applicants should be thoroughly investigated. If additional information is necessary to conduct a thorough and complete investigation, then the investigating authority should proceed with due diligence and may create and utilize release forms that are specific to the information required. This release form must not be a generalized form, but specific to the type of information necessary to allow the chief law enforcement officer the ability to make an informed decision.

New Jersey law enforcement officers can no longer make application with the municipality of employment. They must submit applications to the municipal police department where they reside.
- 2. Applications for a **State of New Jersey Permit to Carry a Handgun (S.P. 642)** are obtained in the same manner as stated above. Employees of armored car companies and individuals who reside outside of New Jersey, are **required** by law to make application for Permits to Carry a Handgun with the State Police.

- 4. The applicant shall personally complete the application forms with original signature on each application submitted.
- 5. Investigators should check applications and all forms attached thereto for completeness at the time of submission. All boxes are to be completed and "N/A" utilized when not applicable.
- 6. The investigator should confirm the applicant's identification to his or her satisfaction.
- 7. Applicants should be made aware of the "disabilities" as outlined in <u>N.J.S.</u> 2C: 58-3.c that preclude them from obtaining a firearm permit.
- 8. Applicants should be advised that falsification of any information on an application or related document is a crime of the third degree under <u>N.J.S.</u> 2C: 39-10.c. and is a disability under <u>N.J.S.</u> 2C:58-3c(3).
- 9. Eligible retiring police officers may obtain an application for a Retired Law Enforcement Officer Permit to Carry a Handgun by accessing the State Police internet website at <u>WWW.NJSP.ORG</u>. (Follow the prompts at the top of the page for "SERVICES" drop this menu down and check "FIREARMS" then "FORMS TO DOWNLOAD.") Renewal applications must be filed yearly and are also available via the above internet website. Instructions regarding the application process for a Retired Law Enforcement Officer Permit to Carry a Handgun are located on this website.

- 10. Retired police officers are reminded they must submit training qualification records semiannually to the Firearms Investigation Unit in order to maintain the validity of their retired police officer permit to carry (twice per calendar year as mandated by the Attorney General's guidelines with at least 90 days between each qualification).
- 11. Applications for Multiple Handgun Purchase Exemptions (S.P. 015, S.P. 015A, S.P. 016, and S.P. 016A) may be obtained by accessing the New Jersey State Police website, <u>WWW.NJSP.ORG</u>, The completed exemption forms are to be submitted by the applicant to the applicant's local police department or State Police station where they reside. Once reviewed and approved, two copies of the exemption forms (with raised seals) will be returned to the police department where the applicant resides. One copy of the forms should be maintained by the police department and the other set of forms should be returned to the applicant.

STATE OF NEW JERSEY FIREARMS PURCHASER IDENTIFICATION CARD

STATE OF NEW JERSEY FIREARMS PURCHASER IDENTIFICATION CARD

The State of New Jersey Firearms Purchaser Identification Card (FID) is required for the purchase/transfer of all "Long Guns": Including, Rifles, Shotguns, Black Powder Firearms, BB Guns, and Pellet Guns. Additionally, the FID card is one of three permits, including a permit to purchase a handgun or a permit to carry a handgun, which is required to be exhibited when purchasing handgun ammunition, as per <u>N.J.S.</u> 2C:58-3.3.b.

Applicant:

Must not be subject to the disabilities of N.J.S. 2C:58-3c, as identified below:

- 1. Must be at least 18 years of age for all long guns and 21 years of age for all handguns with the exception of law enforcement as defined under <u>N.J.S.</u> 2C:58-6.1(a).
- 2. Must be of good character and of good repute in the community in which he or she lives.
- 3. Can never have been convicted of a <u>crime</u> of the first, second, third or fourth degree in this state, or the equivalent in another state or jurisdiction, that has not been expunged or sealed.

A <u>CRIME</u> is defined by <u>N.J.S.</u> 2C:1-4; as that for which a sentence of imprisonment in excess of six months is authorized. Although the applicant may not have received more than six months incarceration, this statute is based on what term of imprisonment the applicant *could* have received, not what the applicant actually received. It should be noted that all convictions from other states (Including those that are defined as "Misdemeanors") need to be checked to determine the possible length of sentence the applicant *could* have received, although he or she may have received a shorter sentence.

4. Must not be a drug dependent person as defined in section 2 of P.L. 1970, c.226 (C.24: 21-2). For purpose of <u>N.J.S.</u> 2C:58-3c(2), a drug dependent person means:

[A] person who is using a controlled dangerous substance and who is in a state of psychic dependence, or both, arising from the use of that controlled dangerous substance on a continual basis. Drug dependence is characterized by behavioral or other responses, including, but not limited to, a strong compulsion to take the substance on a recurring basis in order to experience psychic effects, or to avoid the discomfort of its absence.

- 5. Must not be *currently* confined (or has ever been) for a mental disorder to a hospital, mental institution or sanitarium.
- 6. Must not be a habitual drunkard. The courts indicate that the word "presently," as used in <u>N.J.S.</u> 2C:58-3c(2), does not mean at this hour or on this day, nor does it mean the limited time period within the month. The applicant's entire course of conduct must be examined, and a period of abstention does not negate a finding of habitual drunkenness.
- 7. Must not suffer from a physical defect or disease that would make it unsafe for him or her to handle firearms.
- 8. Must not be an alcoholic. (Recovering alcoholics shall answer yes on form STS-033 question #21 "Are you an Alcoholic?" Then follow instructions on line #9 of this page).

- 9. Persons who do not meet the requirements of items seven and eight above and those who have ever been confined to a mental institution are ineligible to obtain a Firearms Purchaser Identification Card, Permit to Purchase a Handgun, and/or Permit to Carry a Handgun unless such person produces a certificate of a medical doctor or psychiatrist licensed in New Jersey, or other satisfactory proof, documenting he or she is no longer suffering from the particular disability in such a manner that would interfere with or handicap him or her in the handling of firearms.
- 10. Must not knowingly falsify any information on the application form or any other required document.
- 11. Must not be subject to a restraining order/court order (active final or active temporary restraining order) issued pursuant to the "Prevention of Domestic Violence Act of 1991," P.L. 1991, c. 261 (C. 2C:25-17 et seq.) prohibiting the applicant from possessing any firearms. Note: As a result of the Lautenberg Amendment to the Federal Domestic Violence Statute (1996), New Jersey amended the domestic violence statutes in 2004. This mandates any individual who has a restraining order pursuant to the domestic violence act not to possess or obtain firearms. Prior to this amendment, a judge would have to indicate the prohibition of firearms within the restraining order. As a result, some individuals may not have had their firearms seized when a restraining order was enacted against them, depending on the judge's order at that time. The amendment did not provide for the grandfathering of individuals with an active final or temporary restraining order and they are now subject to the provisions of the statute.
- 12. Must not be subject to the issuance of a final restraining order prohibiting the applicant from purchasing, owning, possessing or controlling a firearm and from receiving or retaining a firearms purchaser identification card or permit to purchase a handgun pursuant to N.J.S. 2C:58-3., during the period in which the restraining order is in effect or two years from issuance, whichever is greater, except that this provision shall not apply to any law enforcement officer while actually on duty, or to any member of the Armed Forces of the United States or a member of the National Guard while actually on duty or traveling to or from an authorized place of duty. *Example:* If the FRO was issued one year ago and was recently dismissed, then the applicant would have to wait one year to fulfill the two-year requirement. If the FRO was issued five years ago and was recently dismissed, then the applicant is no longer disqualified under this provision and is able to submit an application.
- 13. Must not have been convicted of any disorderly persons offense involving an act of domestic violence as defined in section 3 of P.L. 1991,c261 (C.2C:25-19), whether or not armed with or possessing a weapon at the time of such offense.
- 14. Must not be a person where the issuance of such permit would not be in the interest of the public health, safety or welfare of the citizens of the State of New Jersey.
- 15. Must not have been adjudicated as a juvenile delinquent for an offense, which if committed by an adult, would constitute a crime *and* the offense involved the unlawful use or possession of a weapon, explosive, or destructive device *or is enumerated* in subsection **d**. of section 2 of P.L. 1997, c. 117 (C. 2C:43-7.2).
- 16. Must not have had their firearm seized pursuant to the "Prevention of Domestic Violence Act of 1991," P.L. 1991, c. 261 (C. 2C:25-17 et seq.) and whose firearm has not been returned.

17. Must not be named on the consolidated Terrorist Watchlist maintained by Terrorist Screening Center administered by the Federal Bureau of Investigation.

Application Process:

- 1. The applicant must complete the application (STS 033) in its entirety and submit the appropriate fee. Ensure that **all** boxes are filled in or marked.
- 2. Complete **Part One** of the **Consent for Mental Health Records Search Form (S.P. 066)**. Applicant needs to sign and date this form and be witnessed by another individual who is over the age of 18. Preferably, but not necessarily, the investigating officer or other officer receiving the application. Complete the department information or Station name at the bottom of part one. The applicant should list all residences for the past ten years.
- 3. If the applicant has *not* previously applied with your agency for a firearms purchaser identification card or handgun purchase permit, then the applicant is to be fingerprinted by the appropriate vendor. Provide applicant with the vendor information sheet and advise to schedule an appointment. **UNLESS:**
 - a. The applicant has been previously issued a handgun purchase permit by your department, <u>**OR**</u> has a valid firearms purchaser identification card, by statute this applicant **need not** be fingerprinted again. The applicant is to complete and submit a "Request for Criminal History Record Information for a Non-Criminal Justice Purpose" form (**SBI 212A**), and submit the appropriate fee. **OR**
 - b. The applicant has been previously issued a handgun purchase permit by another police department in New Jersey, provides satisfactory proof of identity, **OR** has a valid firearms purchaser identification card, the applicant should submit an SBI 212A form with the appropriate fee. This applicant **need not** be fingerprinted again.

NOTE: The New Jersey State Police, State Bureau of Identification, is phasing out the use of paper 212A forms. All municipalities should be utilizing the electronic on-line website for applicants to submit their request for a New Jersey Criminal Name Check. Once the municipality is on-line and utilizing the electronic 212A process, direct the applicant to the following website: http://www.njportal.com/njsp/criminalrecords/

The applicant will need the ORI number of the agency where application is made.

Investigation of the Applicant:

Issuance of the Firearms Purchaser Identification Card:

- 1. Complete the information required on the Firearms Purchaser Identification Card and accurately record the SBI number on the card. The applicant's SBI number must appear on the Firearms Purchaser Identification Card. If the prints are marked unclassifiable by the SBI, contact the SBI in order to resolve the problem. If you are aware of anyone in your community who does not have his or her SBI number on the Firearms Purchaser Identification Card, encourage him or her to update the card. Firearms Purchaser Identification Cards without valid SBI numbers on them will be voided. If the applicant's SBI number is not classified, then he or she will need to be fingerprinted as they are not in the SBI database as a Firearms Applicant. This will prohibit them from purchasing firearms through a licensed retail dealer as NICS will deny the purchase. (This may have occurred with individuals who were fingerprinted in the 1970s. Contact the New Jersey State Police, Firearms Investigation Unit for more information.)
- 2. Have the Chief of Police sign the Firearms Purchaser Identification Card. If your agency presently does not have a Chief, then the highest sworn ranking officer is to sign the card. Departments with a public safety director shall have the highest ranking sworn police officer sign the card. This is designated in N.J.A.C. 13:54-1.2, Definitions "Chief of Police" or "Chief Police Officer" means the highest ranking sworn member of a municipal police department.

- 3. Firearms Purchaser Identification Cards issued by the Division of State Police will be processed at the Firearms Investigation Unit. They will be returned to the investigating station for delivery to the applicant.
- 4. Contact the applicant to pick up the card. Have the applicant place his or her right index fingerprint on the Firearms Purchaser Identification Card and sign it in the **presence of a police officer.**

Denying Issuance of Firearms Purchaser Identification Card:

 If your background investigation revealed the applicant is subject to any of the disabilities as set forth under <u>N.J.S.A.</u> 2C: 58-3.c(1 through 9), you <u>must deny</u> the issuance of the State of New Jersey Firearms Purchaser Identification Card and/or Permit to Purchase a Handgun, Duplicate Firearms Purchaser Identification Card, or Permit to Carry a Handgun.

> As per <u>N.J.S.A</u> 2C:58-3.c(5), to any person where the issuance would not be in the interest of the public health, safety, or welfare. This disability provides for a broad interpretation and allows law enforcement discretionary latitude. This discretionary latitude should not be taken lightly and should be applied with the interest of the citizens of New Jersey as the central core. It should be noted that the circumstances surrounding all contacts with the applicant (Including previous arrests of the applicant that may have been dismissed, received PTI or Diversion, or acquitted during a trial) may be taken into account as to the character of the applicant. The applicant's character may be called into question as to how it affects the citizens of New Jersey, and should then be considered as to the approval or disapproval of any firearms application. The investigator should provide specific facts within the investigation report as well as additional documentation to clarify any disapproval under this disability.

- 2. As per <u>Weston v. State</u>, 60 <u>N.J.</u> 36, 43-44 (1972), the applicant should be afforded the opportunity to discuss the matter, "to be informed of the reasons for the denial and to offer any pertinent explanation or information for the purpose of meeting the objections being raised."
- 3. Have your Chief of Police, or highest-ranking sworn officer as the case may be, indicate on the application it is disapproved and the reason for the disapproval in the appropriate category under the "Reason for Disapproval."
- 4. Notify the applicant by registered mail that their application was disapproved and indicate within your letter the reason for the denial as well as how to appeal same. Indicate in your letter that, by statute **N.J.S. 2C: 58-3.d**, he or she has thirty days to appeal the denial by writing to the Superior Court in the county in which they reside and request a hearing.

The following is taken directly from statute:

Pursuant to <u>N.J.S.</u> 2C:58-3d: Any person aggrieved by the denial of a permit to purchase a handgun or identification card may request a hearing in the Superior Court of the county in which he resides if he is a resident of New Jersey or in the Superior Court of the county in which his application was filed if he is a nonresident. The request for a hearing shall be made in writing within 30 days of the denial of the application for a permit or identification card. The applicant shall serve a copy of his

request for a hearing upon the chief of police of the municipality in which he resides, if he is a resident of New Jersey, and upon the Superintendent of State Police in all cases.

5. Save the return on the registered letter as proof the letter was received. This letter may also be hand delivered to the applicant, but the investigator should obtain a signed receipt.

Retention and Disposition of Applications/Support Documents:

STATE POLICE:

- 1. The Firearms Investigation Unit maintains all *original* records of the application and investigation report, submitting them to be digitalized and subsequently placed on microfilm. The original application, consent for mental health records search form, and all associated documents (Including the appropriate fees see attachment) related to the application will be forwarded by interoffice mail to the Firearms Investigation Unit within ten working days from the date the application is accepted at the station.
- 2. Submit the Investigation Report (S.P. 407 Rev. 03/06), utilizing RMS, to the Firearms Investigation Unit after review and first approval at the station level. Forward all documents (S.P. 033, S.P. 066, S.P. 407, S.P. 642, and all other reports received) to the Firearms Investigation Unit for review and final approval. This includes the criminal history and/or 212A form, as well as any related reports concerning arrests or derogatory information uncovered during the investigation.
- 3. Include all documents or letters necessary to verify or explain positive responses listed on the application.

NOTE: DO NOT USE STAPLES TO SECURE DOCUMENTS.

4. Stations shall maintain a *copy* of the application, investigation report, and any other ledgers or records associated with the Firearms Application. (Master Name Index will be updated via RMS according to the appropriate S.O.P.) Make a complete photocopy of the entire application package including the 212A form, money orders, and checks. The copy of the application package will be retained at the station level.

MUNICIPAL POLICE:

- 1. Municipal departments are encouraged to maintain copies of the application and investigation report, as well as any supporting documents. This will aid in future investigations of the same applicant.
- 2. Upon completion of the investigation and issuance or denial of the Firearms Purchaser Identification Card and/or Permit to Purchase a Handgun, Duplicate Firearms Purchaser Identification Card, or Permit to Carry a Handgun, forward the following form to the New Jersey State Police Data Reduction Unit.
 - a. Original Application (STS 033 or S.P. 642).

Please do not use staples with documents sent to the State Police.

If any of the above-listed permits were denied by your agency, do not forward the STS 033/S.P. 642 form until all court action has been completed, or until more than thirty days has elapsed from the time you notified the applicant of his or her denial. **If the denial was upheld in court**,

or if the denial is overturned, forward a copy of the court order along with the original application to the NJSP Data Reduction Unit.

In all cases regardless of outcome, the original application shall be forwarded to the State Police, Data Reduction Unit.

3. As per CJIS policy, once the Criminal History Return is no longer being utilized, it is to be destroyed.

> As per <u>N.J.S.A</u> 2C:58-3.c(5), To any person where the issuance would not be in the interest of the public health, safety, or welfare. This disability provides for a broad interpretation and allows law enforcement discretionary latitude. This discretionary latitude should not be taken lightly and should be applied with the interest of the citizens of New Jersey as the central core. It should be noted that the circumstances surrounding all contacts with the applicant (Including previous arrests of the applicant that may have been dismissed, received PTI or Diversion, or acquitted during a trial) may be taken into account as to the character of the applicant. The applicant's character may be called into question as to how it affects the citizens of New Jersey, and should then be considered as to the approval or disapproval of any firearms application. The investigator should provide specific facts within the investigation report as well as additional documentation to clarify any disapproval under this disability.

- 2. As per <u>Weston v. State</u>, 60 <u>N.J.</u> 36, 43-44 (1972), the applicant should be afforded the opportunity to discuss the matter, "to be informed of the reasons for the denial and to offer any pertinent explanation or information for the purpose of meeting the objections being raised."

The following is taken directly from statute:

Pursuant to **N.J.S. 2C:58-3d:** Any person aggrieved by the denial of a permit to purchase a handgun or identification card may request a hearing in the Superior Court of the county in which he resides if he is a resident of New Jersey or in the Superior Court of the county in which his application was filed if he is a nonresident. The request for a hearing shall be made in writing within 30 days of the denial of the application for a permit or identification card. The applicant shall serve a copy of his request for a hearing upon the chief of police of the municipality in which he resides, if he is a resident of New Jersey, and upon the Superintendent of State Police in all cases.

5. Save the return on the registered letter as proof the letter was received. This letter may also be hand delivered to the applicant, but the investigator should obtain a signed receipt.

Retention and Disposition of Applications/Support Documents:

STATE POLICE:

STATE OF NEW JERSEY DUPLICATE FIREARMS PURCHASER IDENTIFICATION CARD

STATE OF NEW JERSEY DUPLICATE FIREARMS PURCHASER IDENTIFICATION CARD

Applicant:

If the applicant is applying for a **Duplicate Firearms Purchaser Identification Card**, he or she:

- 1. Must have previously been issued a Firearms Purchaser Identification Card by an organized full-time police department within the State of New Jersey or by the New Jersey State Police.
- 2. Must not have had his or her State of New Jersey Firearms Purchaser Identification Card revoked by a Superior Court in the State of New Jersey, **unless a court order exists authorizing the applicant to obtain a duplicate Firearms Purchaser Identification Card.** Applicant may have had his or her State of New Jersey Firearms Purchaser Identification Card revoked or voluntarily surrendered based on being susceptible to one of the disabilities as per <u>N.J.S.</u> 2C:58-3c, however, is now eligible to be issued a duplicate card.

For example:

Applicant may have had a Domestic Violence Final Restraining Order, but same has been dismissed and has passed the two-year period.

Applicant may have had a criminal conviction, however, same has been expunged.

These examples may no longer have the applicant automatically disqualified as per <u>N.J.S.</u> 2C:58-3c, however, the circumstances involving the incidents in question may be indicators as to the applicant's character as well as how his or her actions may effect the public health, safety, or welfare of the citizens of the State of New Jersey.

- 3. The applicant must present proper identification to the investigating officer's satisfaction. If the applicant cannot or does not present adequate identification, then the applicant will have to submit fingerprints via the vendor along with the appropriate fee.
- 4. Applicants who present satisfactory identification may be processed on an SBI 212A form, provided that the investigating officer is able to verify the applicant has a valid SBI number.
- 5. Applicants <u>must</u> submit fingerprints along with the appropriate fee if their SBI number cannot be verified.

Must not be subject to the disabilities of <u>N.J.S.</u> 2C:58-3c, as identified below:

- 6. Must be of good character and of good repute in the community in which he or she lives.
- 7. Can never have been convicted of a <u>crime</u> of the first, second, third or fourth degree in this state, or the equivalent in another state or jurisdiction, that has not been expunged or sealed.

A <u>CRIME</u> is defined by <u>N.J.S.</u> 2C:1-4 as that for which a sentence of imprisonment in excess of six months is authorized. Although the applicant may not have received more than six months incarceration, this statute is based on what term of imprisonment the applicant *could* have received, not what the applicant actually received. It should be noted that all convictions from other states (including those that are defined as "Misdemeanors") need to be checked to determine the possible length of sentence the applicant *could* have received, although he or she may have received a shorter sentence.

8. Must not be a drug dependent person as defined in section 2 of P.L. 1970, c.226 (C.24: 21-2). For purpose of <u>N.J.S.</u> 2C:58-3c(2), a drug dependent person means:

[A] person who is using a controlled dangerous substance and who is in a state of psychic dependence, or both, arising from the use of that controlled dangerous substance on a continual basis. Drug dependence is characterized by behavioral or other responses, including but not limited to, a strong compulsion to take the substance on a recurring basis in order to experience psychic effects, or to avoid the discomfort of its absence.

- 9. Must not be *currently* confined (or has ever been) for a mental disorder to a hospital, mental institution or sanitarium.
- 10. Must not be a habitual drunkard. The courts indicate that the word "presently," as used in N.J.S. 2C:58-3c(2), does not mean at this hour or on this day, nor does it mean the limited time period within the month. The applicant's entire course of conduct must be examined, and a period of abstention does not negate a finding of habitual drunkenness.
- 11. Must not suffer from a physical defect or disease that would make it unsafe for him or her to handle firearms.
- 12. Must not be an alcoholic. Recovering alcoholics shall answer yes on form STS 033 question #21 "Are you an Alcoholic?"
- 13. Persons who do not meet the requirements of items 8 through 12 above and those who have ever been confined to a mental institution are ineligible to obtain a Firearms Purchaser Identification Card, Permit to Purchase a Handgun, and/or Permit to Carry a Handgun unless such person produces a certificate of a medical doctor or psychiatrist licensed in New Jersey, or other satisfactory proof, documenting he or she is no longer suffering from the particular disability in such a manner that would interfere with or handicap him or her in the handling of firearms.
- 14. Must not knowingly falsify any information on the application form or any other required document.
- 15. Must not be subject to a restraining order/court order (active final or active temporary restraining order) issued pursuant to the "Prevention of Domestic Violence Act of 1991," P.L. 1991, c. 261 (C.2C:25-17 et seq.) prohibiting the applicant from possessing any firearms. Note: As a result of the Lautenberg Amendment to the Federal Domestic Violence Statute (1996), New Jersey amended the domestic violence statutes in 2004. This mandates any individual who has a restraining order pursuant to the domestic violence act not to possess or obtain firearms. Prior to this amendment, a judge would have to indicate the prohibition of firearms within the restraining order. As a result, some individuals may not have had their firearms seized when a restraining order was enacted against them, depending on the judge's order at that time. The amendment did not provide for the grandfathering of individuals with an active final or temporary restraining order and they are now subject to the provisions of the statute.
- 16. Must not be subject to the issuance of a final restraining order prohibiting the applicant from purchasing, owning, possessing or controlling a firearm and from receiving or retaining a firearms purchaser identification card or permit to purchase a handgun pursuant to <u>N.J.S.</u> 2C:58-3., during the period in which the restraining order is in effect or two years from

issuance, whichever is greater, except that this provision shall not apply to any law enforcement officer while actually on duty, or to any member of the Armed Forces of the United States or a member of the National Guard while actually on duty or traveling to or from an authorized place of duty. *Example:* If the FRO was issued one year ago and was recently dismissed, then the applicant would have to wait one year to fulfill the two-year requirement. If the FRO was issued five years ago and was recently dismissed, then the applicant is no longer disqualified under this provision and is able to submit an application.

- 17. Must not have been convicted of any disorderly persons offense involving an act of domestic violence as defined in section 3 of P.L. 1991,c261 (C.2C:25-19), whether or not armed with or possessing a weapon at the time of such offense.
- 18. Must not be a person where the issuance of such permit would not be in the interest of the public health, safety or welfare of the citizens of the State of New Jersey.
- 19. Must not have been adjudicated as a juvenile delinquent for an offense, which if committed by an adult, would constitute a crime *and* the offense involved the unlawful use or possession of a weapon, explosive, or destructive device *or is enumerated* in subsection **d**. of section 2 of P.L. 1997, c. 117 (C. 2C:43-7.2).
- 20. Must not have had their firearm seized pursuant to the "Prevention of Domestic Violence Act of 1991," P.L. 1991, c. 261 (C. 2C:25-17 et seq.) and whose firearm has not been returned.
- 21. Must not be named on the consolidated Terrorist Watchlist maintained by Terrorist Screening Center administered by the Federal Bureau of Investigation.

Application Process:

- 1. The applicant must complete the application (STS 033) in its entirety and submit the appropriate fee if also requesting any handgun purchase permits. (There is no fee for a duplicate FID card.) Ensure that **all** boxes are filled in or marked.
- 2. Complete **Part One** of the **Consent for Mental Health Records Search Form (S.P. 066).** Applicant needs to sign and date this form and be witnessed by another individual who is over the age of 18. Preferably, but not necessarily, the investigating officer or other officer receiving the application. Complete the department information or Station name at the bottom of part one. The applicant should list all residences for the past ten years.
- 3. If the applicant has *not* previously applied with your agency for a firearms purchaser identification card and/or handgun purchase permit, or cannot provide satisfactory identification, then the applicant is to be fingerprinted by the appropriate vendor. Provide applicant with the vendor information sheet and advise to schedule an appointment. **UNLESS:**
 - a. The applicant has been previously issued a handgun purchase permit by your department, <u>**OR**</u> has a valid firearms purchaser identification card, by statute this applicant **need not** be fingerprinted again. The applicant is to complete and submit a "Request for Criminal History Record Information for a Non-Criminal Justice Purpose" form (**SBI 212A**), and submit the appropriate fee. **OR**
 - b. The applicant has been previously issued a handgun purchase permit by another police department in New Jersey, provides satisfactory proof of identity, **OR** has a

valid firearms purchaser identification card, the applicant should submit an SBI 212A form with the appropriate fee. This applicant **need not** be fingerprinted again.

NOTE: The New Jersey State Police, State Bureau of Identification, is phasing out the use of paper 212A forms. All municipalities should be utilizing the electronic on-line website for applicants to submit their request for a New Jersey Criminal Name Check. Firearms Purchaser Identification Cards without a valid SBI number on them will be voided.

As per <u>N.J.S.A</u> 2C:58-3.c(5), to any person where the issuance would not be in the interest of the public health, safety, or welfare. This disability provides for a broad interpretation and allows law enforcement discretionary latitude. This discretionary latitude should not be taken lightly and should be applied with the interest of the citizens

of New Jersey as the central core. It should be noted that the circumstances surrounding all contacts with the applicant (Including previous arrests of the applicant that may have been dismissed, received PTI or Diversion, or acquitted during a trial) may be taken into account as to the character of the applicant. The applicant's character may be called into question as to how it affects the citizens of New Jersey, and should then be considered as to the approval or disapproval of any firearms application. The investigator should provide specific facts within the investigation report as well as additional documentation to clarify any disapproval under this disability.

- 2. As per <u>Weston v. State</u>, 60 <u>N.J.</u> 36, 43-44 (1972), the applicant should be afforded the opportunity to discuss the matter, "to be informed of the reasons for the denial and to offer any pertinent explanation or information for the purpose of meeting the objections being raised."
- 3. Have your Chief of Police, or highest-ranking sworn officer as the case may be, indicate on the application it is disapproved and the reason for the disapproval in the appropriate category under the "Reason for Disapproval."
- 4. Notify the applicant by registered mail that their application was disapproved and indicate within a letter the reason for the denial as well as how to appeal same. Indicate in your letter that by statute, **N.J.S. 2C: 58-3.d**, he or she has thirty days to appeal the denial by writing to the Superior Court in the county in which they reside and request a hearing.

The following is taken directly from statute:

Pursuant to <u>N.J.S.</u> 2C:58-3d: Any person aggrieved by the denial of a permit to purchase a handgun or identification card may request a hearing in the Superior Court of the county in which he resides if he is a resident of New Jersey or in the Superior Court of the county in which his application was filed if he is a nonresident. The request for a hearing shall be made in writing within 30 days of the denial of the application for a permit or identification card. The applicant shall serve a copy of his request for a hearing upon the chief of police of the municipality in which he resides, if he is a resident of New Jersey, and upon the Superintendent of State Police in all cases.

- 5. In some cases, the Chief of Police, or Superintendent as the case may be, may approve the application for a permit to carry a handgun and the Superior Court where it was forwarded to may deny it. In these instances, you should also notify the applicant by registered mail his or her Permit to Carry a Handgun was denied by the court and explain the appeal process as described above. (In most cases, their appeal will be heard by the same judge who denied the permit.)
- 6. Save the return on the registered letter as proof the letter was received. This letter may also be hand delivered to the applicant, but the investigator should obtain a signed receipt.

Note - Permit to Carry a Handgun

Denying Issuance of a Permit to Carry a Handgun:

- 1. If your background investigation revealed the applicant is subject to any of the disabilities as set forth under <u>N.J.S.</u> 2C: 58-3.c (1 through 8), you must deny the issuance of the State of New Jersey Firearms Purchaser Identification Card and/or Permit to Purchase a Handgun, Duplicate Firearms Purchaser Identification Card, or Permit to Carry a Handgun.
 - a. If the applicant of a Permit to Carry a Handgun failed to satisfactorily justify his or her need to carry a handgun, or if the applicant failed to satisfactorily demonstrate that he or she is thoroughly familiar with the safe use and handling of handguns, you must deny the application. Note: the minimum passing requirement for the NRA firearms qualification course is 80%.
 - b. As per <u>N.J.S.</u> 2C:58-3.c(5), to any person where the issuance would not be in the interest of the public health, safety, or welfare. This disability provides for a broad interpretation and allows law enforcement discretionary latitude. This discretionary latitude should not be taken lightly and should be applied with the interest of the citizens of New Jersey as the central core. It should be noted that the circumstances surrounding all contacts with the applicant (including previous arrests of the applicant that may have been dismissed, received PTI or Diversion, or acquitted during a trial) may be taken into account as to the character of the applicant. The applicant's character may be called into question as to how it affects the citizens of New Jersey, and should then be considered as to the approval or disapproval of any firearms application. The investigator should provide specific facts within the investigation report as well as additional documentation to clarify any disapproval under this disability.

- 2. As per <u>Weston v. State</u>, 60 <u>N.J.</u> 36, 43-44 (1972), the applicant should be afforded the opportunity to discuss the matter, "to be informed of the reasons for the denial and to offer any pertinent explanation or information for the purpose of meeting the objections being raised."
- 3. Have your Chief of Police, or highest ranking sworn officer as the case may be, indicate on the application it is disapproved and the reason for the disapproval in the appropriate category under the "Reason for Disapproval."
- 4. Notify the applicant by registered mail that their application was disapproved and indicate within a letter the reason for the denial as well as how to appeal same. Indicate in your letter that by statute, **N.J.S. 2C:58-4e**, he or she has thirty days to appeal the denial by writing to the Superior Court in the county in which they reside and request a hearing on the denial. OR in the case of an employee of an armored car company OR an out of state resident, they may appeal in writing to the Superior Court in the county in the county in which the applicant intended to carry the firearm.

The following is taken directly from statute:

Pursuant to <u>N.J.S.</u> 2C:58-4e: Any person aggrieved by the denial by the chief police officer or the Superintendent of approval for a permit to carry a handgun may request a hearing in the Superior Court of the county in which he resides or in any county in which he intends to carry a handgun, in the case of a nonresident, by filing a written request for such a hearing within 30 days of the denial. Copies of the request shall be served upon the superintendent, the county prosecutor and the chief police officer of the municipality where the applicant resides, if he is a resident of this State.

- 5. In some cases, the Chief of Police, or Superintendent as the case may be, may approve the application for a permit to carry a handgun and the Superior Court where it was forwarded to may deny it. In these instances you should also notify the applicant by registered mail his or her Permit to Carry a Handgun was denied by the court and explain the appeal process as described above. (In most cases, their appeal will be heard by the same judge who denied the permit.)
- 6. Save the return on the registered letter as proof the letter was received. This letter may also be hand delivered to the applicant, but the investigator should obtain a signed receipt.

Retention and Disposition of Applications/Support Documents:

STATE POLICE:

SCHEDULE "B" Exemptions Regarding the **"One Handgun Every 30 Days Law"**

SCHEDULE "B" EXEMPTIONS REGARDING THE "ONE HANDGUN EVERY 30 DAYS LAW"

March 30, 2010

Dear Chief:

This letter is intended to provide your department with guidance and direction as to the proper administration of, and procedures to follow regarding the recently enacted legislation concerning the purchase of one handgun every thirty days, and the proper submission of applications for those seeking exemption to the law. Full context of this legislation can be found at <u>www.njleg.state.nj.us.</u> Chapter laws and statutes are found on the lower left side of the page under the heading "LAWS AND CONSTITUTION." Click on "Chapter Laws." On the page which appears, click on "Chapter Laws 2009," and scroll down to each particular piece of legislation as delineated below. The specific legislation as it pertains to one gun per thirty days is identified as:

P.L., 2009 Chapter 104 P.L., 2009 Chapter 168 P.L., 2009 Chapter 186

Be advised the following handgun transfers are not subject to the purchase of one handgun every thirty days law and thus the transactions *DO NOT* require the completion of the new "Application for Multiple Handgun Purchase Exemption" form (S.P. 015) and the new "Seller/Transferor Certification" form (S.P. 016):

Handguns passing to heirs or legatees (N.J.S. 2C:58-3j).

A federal, state, or local law enforcement officer or agency purchasing handguns for use by officers in the actual performance of their law enforcement duties.

A collector of handguns as curios or relics as defined in Title 18, United States Code, section 921(a)(13) who has in his possession a valid Collector of Curios and Relics License issued by the Federal Bureau of Alcohol, Tobacco, Firearms and Explosives. An individual with such a Federal License must obtain the State of New Jersey Permit to Purchase a Handgun for each handgun and complete an exemption form if obtaining more than one handgun in a single transaction.

New Jersey law does not recognize a handgun as an antique, and as such, since the above license is only applicable to antiques, it does not apply to the purchase/transfer of handguns.

Transfers of handguns between licensed retail dealers.

Any transaction where the person has purchased a handgun from a licensed retail dealer and has returned that handgun to the dealer in exchange for another handgun within 30 days of the original transaction, provided the retail dealer reports the exchange transaction to the superintendent.

Gifted Handguns (person to person transfers only).

Completion by both the purchaser/transferee and the seller/transferor of the new "Application for Multiple Handgun Purchase Exemption" form (S.P. 015) and the new "Seller/Transferor Certification" form (S.P. 016) *IS* required for the following exemptions (<u>N.J.S.</u> 2C:58-3.4):

The application is to purchase multiple handguns from a person who obtained the handguns through inheritance or intestacy.

The applicant is a collector of handguns and has a need to purchase or otherwise receive multiple handguns in the same transaction or within a 30-day period in furtherance of the applicant's collecting activities. As used in this paragraph, "need" shall include, but not be limited to, situations where there is a reasonable likelihood that the additional handguns sought to be purchased would not be readily available after the 30-day period, that it would not be feasible or practical to purchase the handguns separately, or that prohibiting the purchase of more than one handgun within a 30-day period would have a materially adverse impact on the applicant's ability to enhance his collection. As used in this paragraph, "collector" shall include any person who devotes time and attention to acquiring firearms for the enhancement of the person's collection: as curios; for inheritance; for historical, investment, training and competitive, recreational, educational, scientific, or defensive purposes; or any or other lawful related purpose. If an applicant is a member of an organized gun club; firearms competitors organization; firearms collectors organization; or any other organization dedicated to the acquisition, preservation, or use of firearms for historical, investment, training and competitive, recreational, educational, scientific, or defensive purposes, or any other lawful related purpose, such membership shall be considered in determining whether the applicant qualifies as a collector.

The applicant participates in sanctioned handgun shooting competitions and needs to purchase or otherwise receive multiple handguns in a single transaction or within a 30-day period, and the need is related to the applicant's competitive shooting activities, including use in, or training for, sanctioned competitions.

The "Application for Multiple Handgun Purchase Exemption" form (S.P. 015) and the new "Seller/Transferor Certification" form (S.P. 016) are available on the New Jersey State Police web site at <u>www.njsp.org</u>, Services, Firearms Information, Forms to Download.

Directions for use and completion of the "Application for Multiple Handgun Purchase Exemption" form (S.P. 015) and the new "Seller/Transferor Certification" form (S.P. 016), as well as procedures to be followed by the applicant and issuing law enforcement agency have been established as follows:

An applicant has two options when desiring to apply for a multiple handgun purchase exemption. The applicant may either apply at the time of submission of his/her "Application for Firearms Purchaser Identification Card and/or Handgun Purchase Permit" (S.T.S. 033)," or may apply at any time following the issuance of approved permits to purchase a handgun. Note these permits must still be valid when application is made for a multiple handgun purchase exemption. Procedures to be implemented by your department for each option are outlined below.

As the amended statute also provides "If the information concerning the particular handguns to be purchased is not available when the form is submitted, that information shall be provided to the superintendent as soon as practicable thereafter," your agency is to retain the exemption application and all seller certification forms until the missing information is provided. *It is strongly recommended your agency advise the applicant the submission of any forms with incomplete information will delay processing of the application and permits.*

Your agency is to retain both the "Application for Multiple Handgun Purchase Exemption" (S.P. 015) and the "Application for Multiple Handgun Purchase Exemption Seller/Transferor Certification" (S.P. 016) forms until your firearms investigation has been completed, and a determination is made by your agency to approve or deny the applicant's permits to purchase a handgun.

RETIRED LAW ENFORCEMENT OFFICER PERMIT TO CARRY A HANDGUN (RPO) INSTRUCTIONS

On April 8, 1997, Governor Christine Todd Whitman signed into law Assembly Bill 1762, enabling certain eligible retired New Jersey and federal law enforcement officers the right to carry handguns within the State of New Jersey. The bill was codified in <u>N.J.S.</u> 2C:39-6.1.

On January 13, 2008, Governor Jon S. Corzine signed into law Assembly Bill 2158, which eliminated the six month filing requirement from the date of retirement, increased the age restriction from 70 to 75, changed the years of service for a full time law enforcement officer who retired due to a physical disability from five years to four years and now allows those who are a qualified retired law enforcement officer as used in the federal "Law Enforcement Officers Safety Act of 2004" and are domiciled in this State, to be eligible for the Retired Law Enforcement Officer Permit to Carry a Handgun. These amendments to N.J.S. 2C:39-6.1 became effective March 1, 2008.

The Superintendent of the New Jersey State Police has been given statutory responsibility for administering the provisions of <u>N.J.S.</u> 2C:39-6.1.

In addition to semiannual qualification with a handgun, the retired officer must be thoroughly familiar with <u>N.J.S.</u> 2C:3-1 et. seq. of the New Jersey Code of Criminal Justice which codifies the justified use of deadly force by a civilian.

It should also be noted that, as civilians, retired officers cannot legally carry hollow-point ammunition or utilize high-capacity ammunition magazines (capable of holding more than 15 rounds of ammunition) in the handgun they are carrying.

The retired law enforcement officer permit to carry a handgun law was enacted to help make our streets and communities safer. To this end, it is of critical importance that all retired officers govern their use of deadly force with the same professionalism and good judgment demanded during their law-enforcement careers.

subsection j. of this section and pays the actual costs associated with those semiannual qualifications, who is 75 years of age or younger, and who was regularly employed as a full time member of the State Police; a full time member of an interstate police force; a full time member of a county or municipal police department in this State; a full time member of a State law enforcement agency; a full time sheriff, undersheriff or sheriff's officer of a county of this State; a full time State or county corrections officer; a full time federal law enforcement officer; or is a qualified retired law enforcement officer, as used in the federal "Law Enforcement Officers Safety Act of 2004," Pub .L. 108 277, domiciled in this State from carrying a handgun in the same manner as law enforcement officers exempted under paragraph (7) of subsection a. of this section under the conditions provided herein:

As such, the RPO permit may not be accepted outside of New Jersey; this is at the discretion of each individual state. Additionally, the Attorney General's Office has determined that this Federal Act does not apply to retired New Jersey law enforcement officers who are still required to obtain the New Jersey Retired Law Enforcement Officer Permit To Carry A Handgun in order to lawfully carry.

No formal pleading and no filing fee shall be required as a preliminary to such hearing. Appeals from the results of such hearing shall be in accordance with law.

e. Applications. Applications for permits to purchase a handgun and for firearms purchaser identification cards shall be in the form prescribed by the superintendent and shall set forth the name, residence, place of business, age, date of birth, occupation, sex and physical description, including distinguishing physical characteristics, if any, of the applicant, and shall state whether the applicant is a citizen, whether he is an alcoholic, habitual drunkard, drug dependent person as defined in section 2 of P.L.1970, c.226 (C.24:21-2), whether he has ever been confined or committed to a mental institution or hospital for treatment or observation of a mental or psychiatric condition on a temporary, interim or permanent basis, giving the name and location of the institution or hospital and the dates of such confinement or commitment, whether he has been attended, treated or observed by any doctor or psychiatrist or at any hospital or mental institution on an inpatient or outpatient basis for any mental or psychiatric condition, giving the name and location of the doctor, psychiatrist, hospital or institution and the dates of such occurrence, whether he presently or ever has been a member of any organization which advocates or approves the commission of acts of force and violence to overthrow the Government of the United States or of this State, or which seeks to deny others their rights under the Constitution of either the United States or the State of New Jersey, whether he has ever been convicted of a crime or disorderly persons offense, whether the person is subject to a restraining order issued pursuant to the Prevention of Domestic Violence Act of 1991, P.L.1991, c.261 (C.2C:25-17 et seq.) prohibiting the person from possessing any firearm, and such other information as the superintendent shall deem necessary for the proper enforcement of this

chapter. For the purpose of complying with this subsection, the applicant shall waive any statutory or other right of confidentiality relating to institutional confinement. The application shall be signed by the applicant and shall contain as references the names and addresses of two reputable citizens personally acquainted with him.

Application blanks shall be obtainable from the superintendent, from any other officer authorized to grant such permit or identification card, and from licensed retail dealers.

The chief police officer or the superintendent shall obtain the fingerprints of the applicant and shall have them compared with any and all records of fingerprints in the municipality and county in which the applicant resides and also the records of the State Bureau of Identification and the Federal Bureau of Investigation, provided that an applicant for a handgun purchase permit who possesses a valid firearms purchaser identification card, or who has previously obtained a handgun purchase permit from the same licensing authority for which he was previously fingerprinted, and who provides other reasonably satisfactory proof of his identity, need not be fingerprinted again; however, the chief police officer or the superintendent shall proceed to investigate the application to determine whether or not the applicant has become subject to any of the disabilities set forth in this chapter.

f. Granting of permit or identification card; fee; term; renewal; revocation. The application for the permit to purchase a handgun together with a fee of \$ 2, or the application for the firearms purchaser identification card together with a fee of \$ 5, shall be delivered or forwarded to the licensing authority who shall investigate the same and, unless good cause for the denial thereof appears, shall grant the permit or the identification card, or both, if application has been made therefor, within 30 days from the date of receipt of the application for residents of this State and within 45 days for nonresident applicants. A permit to purchase a handgun shall be valid for a period of 90 days from the date of issuance and may be renewed by the issuing authority for good cause for an additional 90 days. A firearms purchaser identification card shall be valid until such time as the holder becomes subject to any of the disabilities set forth in subsection c. of this section, whereupon the card shall be void and shall be returned within five days by the holder to the superintendent, who shall then advise the licensing authority. Failure of the holder to return the firearms purchaser identification card to the superintendent within the said five days shall be an offense under subsection a. of N.J.S. 2C:39-10. Any firearms purchaser identification card may be revoked by the Superior Court of the county wherein the card was issued, after hearing upon notice, upon a finding that the holder thereof no longer qualifies for the issuance of such permit. The county prosecutor of any county, the chief police officer of any municipality or any citizen may apply to such court at any time for the revocation of such card.

There shall be no conditions or requirements added to the form or content of the application, or required by the licensing authority for the issuance of a permit or identification card, other than those that are specifically set forth in this chapter.

g. Disposition of fees. All fees for permits shall be paid to the State Treasury if the permit is issued by the superintendent, to the municipality if issued by the chief of police, and to the county treasurer if issued by the judge of the Superior Court.

h. Form of permit; quadruplicate; disposition of copies. The permit shall be in the form prescribed by the superintendent and shall be issued to the applicant in quadruplicate. Prior to the time he receives the handgun from the seller, the applicant shall deliver to the seller the permit in quadruplicate and the seller shall complete all of the information required on the form. Within five days of the date of the sale, the seller shall forward the original copy to the

superintendent and the second copy to the chief of police of the municipality in which the purchaser resides, except that in a municipality having no chief of police, such copy shall be forwarded to the superintendent. The third copy shall then be returned to the purchaser with the pistol or revolver and the fourth copy shall be kept by the seller as a permanent record.

i. Restriction on number of firearms person may purchase. Only one handgun shall be purchased or delivered on each permit and no more than one handgun shall be purchased within any 30-day period, but this limitation shall not apply to:

(1) a federal, State or local law enforcement officer or agency purchasing handguns for use by officers in the actual performance of their law enforcement duties;

(2) a collector of handguns as curios or relics as defined in Title 18, United States Code, section 921(a)(13) who has in his possession a valid Collector of Curios and Relics License issued by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives;

(3) transfers of handguns among licensed retail dealers, registered wholesale dealers and registered manufacturers;

(4) transfers of handguns from any person to a licensed retail dealer or a registered wholesale dealer or registered manufacturer;

(5) any transaction where the person has purchased a handgun from a licensed retail dealer and has returned that handgun to the dealer in exchange for another handgun within 30 days of the original transaction, provided the retail dealer reports the exchange transaction to the superintendent; or

(6) any transaction where the superintendent issues an exemption from the prohibition in this subsection pursuant to the provisions of section 4 of P.L.2009, **c.**186 (C.2C:58-3.4).

The provisions of this subsection shall not be construed to afford or authorize any other exemption from the regulatory provisions governing firearms set forth in chapter 39 and chapter 58 of Title 2C of the New Jersey Statutes.

A person shall not be restricted as to the number of rifles or shotguns he may purchase, provided he possesses a valid firearms purchaser identification card and provided further that he signs the certification required in subsection b. of this section for each transaction.

j. Firearms passing to heirs or legatees. Notwithstanding any other provision of this section concerning the transfer, receipt or acquisition of a firearm, a permit to purchase or a firearms purchaser identification card shall not be required for the passing of a firearm upon the death of an owner thereof to his heir or legatee, whether the same be by testamentary bequest or by the laws of intestacy. The person who shall so receive, or acquire said firearm shall, however, be subject to all other provisions of this chapter. If the heir or legatee of such firearm does not qualify to possess or carry it, he may retain ownership of the firearm for the purpose of sale for a period not exceeding 180 days, or for such further limited period as may be approved by the chief law enforcement officer of the municipality in which the heir or legatee resides or the superintendent, provided that such firearm is in the custody of the chief law enforcement officer of the municipality or the superintendent during such period.

k. Sawed-off shotguns. Nothing in this section shall be construed to authorize the purchase or possession of any sawed-off shotgun.

1. Nothing in this section and in <u>N.J.S.</u> 2C:58-2 shall apply to the sale or purchase of a visual distress signaling device approved by the United States Coast Guard, solely for possession on a private or commercial aircraft or any boat; provided, however, that no person under the age of 18 years shall purchase nor shall any person sell to a person under the age of 18 years signaling device.

N.J.S. 2C:58-3.1. Temporary transfer of firearms

a. Notwithstanding the provisions of <u>N.J.S.</u> 2C:39-9, <u>N.J.S.</u> 2C:58-2, <u>N.J.S.</u> 2C:58-3 or any other statute to the contrary concerning the transfer or disposition of firearms, the legal owner, or a dealer licensed under <u>N.J.S.</u> 2C:58-2, may temporarily transfer a handgun, rifle or shotgun to another person who is 18 years of age or older, whether or not the person receiving the firearm holds a firearms purchaser identification card or a permit to carry a handgun. The person to whom a handgun, rifle or shotgun is temporarily transferred by the legal owner of the firearm or a licensed dealer may receive, possess, carry and use that handgun, rifle or shotgun, if the transfer is made upon a firing range operated by a licensed dealer, by a law enforcement agency, a legally recognized military organization or a rifle or pistol club which has filed a copy of its charter with the superintendent and annually submits to the superintendent a list of its members and if the firearm is received, possessed, carried and used for the sole purpose of target practice, trap or skeet shooting, or competition upon that firing range or instruction and training at any location.

A transfer under this subsection shall be for not more than eight consecutive hours in any 24hour period and may be made for a set fee or an hourly charge.

The firearm shall be handled and used by the person to whom it is temporarily transferred only in the actual presence or under the direct supervision of the legal owner of the firearm, the dealer who transferred the firearm or any other person competent to supervise the handling and use of firearms and authorized to act for that purpose by the legal owner or licensed dealer. The legal owner of the firearm or the licensed dealer shall be on the premises or the property of the firing range during the entire time that the firearm is in the possession of the person to whom it is temporarily transferred.

The term legal owner as used in this subsection means a natural person and does not include an organization, commercial enterprise, or a licensed manufacturer, wholesaler or dealer of firearms.

b. Notwithstanding the provisions of <u>N.J.S.</u> 2C:39-9, <u>N.J.S.</u> 2C:58-2, <u>N.J.S.</u> 2C:58-3 or any other statute to the contrary concerning the transfer and disposition of firearms, a legal owner of a shotgun or a rifle may temporarily transfer that firearm to another person who is 18 years of age or older, whether or not the person receiving the firearm holds a firearms purchaser identification card. The person to whom a shotgun or rifle is temporarily transferred by the legal owner may receive, possess, carry and use that shotgun or rifle in the woods or fields or upon the waters of this State for the purposes of hunting if the transfer is made in the woods or fields or upon the waters of this State, the shotgun or rifle is legal and appropriate for hunting and the person to whom the firearm is temporarily transferred possesses a valid license to hunt with a

firearm, and a valid rifle permit if the firearm is a rifle, obtained in accordance with the provisions of chapter 3 of Title 23 of the Revised Statutes.

The transfer of a firearm under this subsection shall be for not more than eight consecutive hours in any 24-hour period and no fee shall be charged for the transfer.

The legal owner of the firearm which is temporarily transferred shall remain in the actual presence or in the vicinity of the person to whom it was transferred during the entire time that the firearm is in that person's possession.

The term legal owner as used in this subsection means a natural person and does not include an organization, commercial enterprise, or a licensed manufacturer, wholesaler or dealer of firearms.

c. No firearm shall be temporarily transferred or received under the provisions of subsections a. or b. of this section for the purposes described in section 1 of P.L. 1983, c. 229 (C. 2C:39-14).

d. An owner or dealer shall not transfer a firearm to any person pursuant to the provisions of this section if the owner or dealer knows the person does not meet the qualifications set forth in subsection c. of <u>N.J.S.</u> 2C:58-3 for obtaining or holding a firearms purchaser identification card or a handgun purchase permit. A person shall not receive, possess, carry or use a firearm pursuant to the provisions of this section if the person knows he does not meet the qualifications set forth in subsection c. of <u>N.J.S.</u> 2C:58-3 for obtaining or holding a firearms purchaser identification set for the provisions of this section if the person knows he does not meet the qualifications set forth in subsection c. of <u>N.J.S.</u> 2C:58-3 for obtaining or holding a firearms purchaser identification card or a handgun purchase permit.

(L. 1992, c. 74, 1; amended 2000, c. 145, 4, eff. Jan. 1, 2001.)

N.J.S. 2C:58-3.2. Temporary transfer of firearm for training purposes

a. Notwithstanding the provisions of <u>N.J.S.</u>2C:39-9, <u>N.J.S.</u>2C:58-2, <u>N.J.S.</u>2C:58-3 or any other statute to the contrary, a person who is certified as an instructor in the use, handling and maintenance of firearms by the Police Training Commission, the Division of Fish, Game and Wildlife and the State Park Service in the Department of Environmental Protection, the Director of Civilian Marksmanship of the United States Department of the Army or by a recognized rifle or pistol association that certifies instructors may transfer a firearm temporarily in accordance with the terms of this section to a person participating in a training course for the use, handling and maintenance of firearms by the Police Training Commission, the Division of Fish, Game and Wildlife, the Director of Civilian Marksmanship or by a recognized rifle or pistol association that certifies instructors. The person to whom a firearm is transferred by a certified instructor in accordance with the terms of this section may receive, possess, carry and use the firearm temporarily during the sessions of the course for the purpose of training and participating in the course.

b. A transfer of a firearm under this section may be made only if:

(1) the transfer is made upon a firearms range or, if the firearm is unloaded, in an area designated and appropriate for the training;

(2) the transfer is made during the sessions of the firearms course for the sole purpose of participating in the course;

(3) the transfer is made for not more than eight consecutive hours in any 24-hour period; and

(4) the transferred firearm is used and handled only in the actual presence and under the direct supervision of the instructor.

c. The transfer permitted by this section may be made whether or not the person participating in the course holds a firearms license, firearms purchaser identification card or a handgun purchase permit. However, an instructor shall not knowingly transfer a firearm under the terms of this section to a person who does not meet the qualifications set forth in subsection c. of **N.J.S.** 2C:58-3 for obtaining or holding a firearms purchaser identification card or a handgun purchase permit, and a person who knows that he does not meet such qualifications shall not receive the transferred firearm under the terms of this section.

d. No firearm shall be transferred or received under the provisions of this section for purposes described in section 1 of P.L.1983, c.229 (C.2C:39-14).

(L. 1997, c. 375, 1.)

N.J.S. 2C:58-3.3. Handgun ammunition defined; sale, purchase, etc., regulated; violation, fourth degree crime

a. As used in this act, handgun ammunition means ammunition specifically designed to be used only in a handgun. Handgun ammunition shall not include blank ammunition, air gun pellets, flare gun ammunition, nail gun ammunition, paint ball ammunition, or any non-fixed ammunition.

b. No person shall sell, give, transfer, assign or otherwise dispose of, or receive, purchase, or otherwise acquire handgun ammunition unless the purchaser, assignee, donee, receiver or holder is licensed as a manufacturer, wholesaler, or dealer under this chapter or is the holder of and possesses a valid firearms purchaser identification card, a valid copy of a permit to purchase a handgun, or a valid permit to carry a handgun and first exhibits such card or permit to the seller, donor, transferor or assignor.

c. No person shall sell, give, transfer, assign or otherwise dispose of handgun ammunition to a person who is under 21 years of age.

d. The provisions of this section shall not apply to a collector of firearms or ammunition as curios or relics who purchases, receives, acquires, possesses, or transfers handgun ammunition which is recognized as being historical in nature or of historical significance.

e. A person who violates this section shall be guilty of a crime of the fourth degree, except that nothing contained herein shall be construed to prohibit the sale, transfer, assignment or disposition of handgun ammunition to or the purchase, receipt or acceptance of ammunition by a law enforcement agency or law enforcement official for law enforcement purposes.

f. Nothing in this section shall be construed to prohibit the transfer of ammunition for use in a lawfully transferred firearm in accordance with the provisions of section 1 of P.L.1992, c.74 (C.2C:58-3.1), section 1 of P.L.1997, c.375 (C.2C:58-3.2) or section 14 of P.L.1979, c.179 (C.2C:58-6.1).

g. Nothing in this section shall be construed to prohibit the sale of a de minimis amount of handgun ammunition at a firearms range operated by a licensed dealer; a law enforcement agency; a legally recognized military organization; or a rifle or pistol club which has filed a copy of its charter with the superintendent for immediate use at that range.

(L. 2007, c. 318, 1, eff. Apr. 1, 2008.)

N.J.S. 2C:58-3.4. Exemption on restriction of purchase of handguns

a. The superintendent may grant an exemption from the restriction on the purchase of handguns set forth in subsection i. of <u>N.J.S.</u>2C:58-3 if the applicant demonstrates to the satisfaction of the superintendent that the applicant's request meets one of the following conditions:

(1) The application is to purchase multiple handguns from a person who obtained the handguns through inheritance or intestacy;

(2) The applicant is a collector of handguns and has a need to purchase or otherwise receive multiple handguns in the same transaction or within a 30-day period in furtherance of the applicant's collecting activities. As used in this paragraph, need shall include, but not be limited to, situations where there is a reasonable likelihood that the additional handguns sought to be purchased would not be readily available after the 30-day period, that it would not be feasible or practical to purchase the handguns separately, or that prohibiting the purchase of more than one handgun within a 30-day period would have a materially adverse impact on the applicant's ability to enhance his collection. As used in this paragraph, collector shall include any person who devotes time and attention to acquiring firearms for the enhancement of the person's collection: as curios; for inheritance; for historical, investment, training and competitive, recreational, educational, scientific, or defensive purposes; or any or other lawful related purpose. If an applicant is a member of an organized gun club; firearms competitors organization; firearms collectors organization; or any other organization dedicated to the acquisition, preservation, or use of firearms for historical, investment, training and competitive, recreational, educational, scientific, or defensive purposes, or any other lawful related purpose, such membership shall be considered in determining whether the applicant qualifies as a collector; or

(3) The applicant participates in sanctioned handgun shooting competitions and needs to purchase or otherwise receive multiple handguns in a single transaction or within a 30-day period, and the need is related to the applicant's competitive shooting activities, including use in or training for sanctioned competitions.

b. The applicant shall certify, on a form prescribed by the superintendent, the specific exemption sought and the particular handguns to be purchased. This form shall be submitted to the superintendent at the same time as the permit to purchase a handgun, along with any pertinent documentation supporting the need for an exemption. If the information concerning the particular handguns to be purchased is not available when the form is submitted, that information shall be provided to the superintendent as soon as practicable thereafter. The superintendent shall consider the veracity, accuracy, and completeness of the information provided in determining whether the applicant meets the requirements for an exemption pursuant to this section. In considering whether an applicant qualifies as a collector under paragraph (2) of subsection a. of this section. In considering an exemption sought under paragraph (2) of subsection a. of this section, the superintendent shall not consider the number of guns in the applicant's collection. In considering an exemption sought under paragraph (2) of subsection a. of this section, the superintendent shall not consider the merit or validity of the applicant's collecting activities.

The superintendent shall not grant an exemption if he finds a reasonable likelihood that the public safety would be endangered by granting the exemption, including but not limited to instances where the applicant may be purchasing a handgun to give, sell or distribute to a person who would not qualify to purchase or otherwise acquire a handgun under the provisions of this chapter.

The exemptions set forth in this section shall not be construed and are not intended to authorize multiple handgun purchases.

N.J.S. 2C:58-4. Permits to carry handguns

a. Scope and duration of authority. Any person who holds a valid permit to carry a handgun issued pursuant to this section shall be authorized to carry a handgun in all parts of this State, except as prohibited by section 2C:39-5e. One permit shall be sufficient for all handguns owned by the holder thereof, but the permit shall apply only to a handgun carried by the actual and legal holder of the permit.

All permits to carry handguns shall expire 2 years from the date of issuance or, in the case of an employee of an armored car company, upon termination of his employment by the company occurring prior thereto whichever is earlier in time, and they may thereafter be renewed every 2 years in the same manner and subject to the same conditions as in the case of original applications.

b. Application forms. All applications for permits to carry handguns, and all applications for renewal of such permits, shall be made on the forms prescribed by the superintendent. Each application shall set forth the full name, date of birth, sex, residence, occupation, place of business or employment, and physical description of the applicant, and such other information as the superintendent may prescribe for the determination of the applicant's eligibility for a permit and for the proper enforcement of this chapter. The application shall be signed by the applicant under oath, and shall be indorsed by three reputable persons who have known the applicant for at least 3 years preceding the date of application, and who shall certify thereon that the applicant is a person of good moral character and behavior.

c. Investigation and approval. Each application shall in the first instance be submitted to the chief police officer of the municipality in which the applicant resides, or to the superintendent, (1) if the applicant is an employee of an armored car company, or (2) if there is no chief police officer in the municipality where the applicant resides, or (3) if the applicant does not reside in this State. The chief police officer, or the superintendent, as the case may be, shall cause the fingerprints of the applicant to be taken and compared with any and all records maintained by the municipality, the county in which it is located, the State Bureau of Identification and the Federal Bureau of Identification. He shall also determine and record a complete description of each handgun the applicant intends to carry.

No application shall be approved by the chief police officer or the superintendent unless the applicant demonstrates that he is not subject to any of the disabilities set forth in 2C:58-3c., that he is thoroughly familiar with the safe handling and use of handguns, and that he has a justifiable need to carry a handgun. If the application is not approved by the chief police officer or the superintendent within 60 days of filing, it shall be deemed to have been approved, unless the applicant agrees to an extension of time in writing.

d. Issuance by Superior Court; fee. If the application has been approved by the chief police officer or the superintendent, as the case may be, the applicant shall forthwith present it to the Superior Court of the county in which the applicant resides, or to the Superior Court in any county where he intends to carry a handgun, in the case of a nonresident or employee of an armored car company. The court shall issue the permit to the applicant if, but only if, it is satisfied that the applicant is a person of good character who is not subject to any of the disabilities set forth in section 2C:58-3c., that he is thoroughly familiar with the safe handling

and use of handguns, and that he has a justifiable need to carry a handgun. The court may at its discretion issue a limited-type permit which would restrict the applicant as to the types of handguns he may carry and where and for what purposes such handguns may be carried. At the time of issuance, the applicant shall pay to the county clerk of the county where the permit was issued a permit fee of \$ 20.00.

e. Appeals from denial of applications. Any person aggrieved by the denial by the chief police officer or the superintendent of approval for a permit to carry a handgun may request a hearing in the Superior Court of the county in which he resides or in any county in which he intends to carry a handgun, in the case of a nonresident, by filing a written request for such a hearing within 30 days of the denial. Copies of the request shall be served upon the superintendent, the county prosecutor and the chief police officer of the municipality where the applicant resides, if he is a resident of this State. The hearing shall be held within 30 days of the filing of the request, and no formal pleading or filing fee shall be required. Appeals from the determination at such a hearing shall be in accordance with law and the rules governing the courts of this State.

If the superintendent or chief police officer approves an application and the Superior Court denies the application and refuses to issue a permit, the applicant may appeal such denial in accordance with law and the rules governing the courts of this State.

f. Revocation of permits. Any permit issued under this section shall be void at such time as the holder thereof becomes subject to any of the disabilities set forth in section 2C:58-3c., and the holder of such a void permit shall immediately surrender the permit to the superintendent who shall give notice to the licensing authority.

Any permit may be revoked by the Superior Court, after hearing upon notice to the holder, if the court finds that the holder is no longer qualified for the issuance of such a permit. The county prosecutor of any county, the chief police officer of any municipality, the superintendent or any citizen may apply to the court at any time for the revocation of any permit issued pursuant to this section.

FREQUENTLY ASKED QUESTIONS

FREQUENTLY ASKED QUESTIONS

This section of the guide will attempt to answer some of the frequently asked questions about New Jersey's firearm laws in general, and the firearms application process.

Q. I want to buy a shotgun, what permit(s) do I need?

A. A person who wishes to obtain (purchase or transfer) long-arms, (shotguns, rifles, muzzle loading rifles or BB/Pellet rifles) first needs to make application for and be issued a Firearms Purchaser Identification Card.

Q. How do I get a Firearms Purchaser Identification Card?

A. You must apply at your local full time police department. If you do not have a local full time police department, you must apply at the State Police Barracks that provides your local police protection.

Q. I live outside of New Jersey; can I apply for a Firearms Purchaser Identification Card?

A. Yes. You can make application for a Firearms Purchaser Identification Card at the State Police Barracks located closest to your residence (excluding NJSP Toll Road Stations).

Q. I'm not a citizen of the United States; can I be issued a Firearms Purchaser Identification Card and/or a Permit to Purchase a Handgun?

A. Yes. If you are a legal resident alien and reside in New Jersey in a municipality with a full time police department, you may apply there. If you reside outside of New Jersey, you can apply at any State Police Station, other than a toll road station (Out of state residents cannot apply for a handgun purchase permit).

Q. How long will it take to be issued a Firearms Purchaser Identification Card?

A. This varies depending on the volume of applications the investigating agency receives as well as the length of time required to conduct a thorough investigation.

Q. Once I have obtained a Firearms Purchaser Identification Card, where can I purchase long-arms?

A. You may purchase long-arms with your State of New Jersey Firearms Purchaser Identification Card and a State of New Jersey Certificate of Eligibility Form (S.P. 634) at licensed (both a state and federal license) gun shops within New Jersey. You may purchase long-arms at any federally licensed firearms dealer in any state, at their place of business. (You must follow the laws of that state and the State of New Jersey.) You may also purchase long-arms from any private citizen who resides within the State of New Jersey while actually in New Jersey.

Q. Can I purchase or receive a long-arm directly from someone in another state?

A. No. It is a violation of federal law for a resident of one state to receive a firearm of any kind from a resident of another state. In order for this type of transfer to proceed legally, it must go through a licensed firearms dealer in the state where the firearm is to be received. In New Jersey that means the dealer must have both a New Jersey State Retail Firearms Dealers License and a Federal Firearms License. A firearm transferred in such a manner may either be brought directly to the gun shop, or shipped there by the person in the foreign state.

Q. What form(s) must I complete when I buy or receive a long-arm?

A. If you purchase or receive a long-arm from a licensed dealer, he or she will have all the proper forms for you to complete. If you purchase or receive a long-arm from a private citizen, you must complete a State of New Jersey Certificate of Eligibility Form (C.O.E. - S.P. 634). They are available at any licensed firearms dealer in the State of New Jersey or from the NJSP web site, <u>www.njsp.org</u>.

Q. Can someone from another state bring a firearm into New Jersey?

A. Yes. Persons from other states may transport their firearm(s) into and through New Jersey. They may bring them (directly) to a gun shop, practice facility or a private residence. You may also hunt with your long-gun, with current and appropriate hunting licenses.

Q. How do I legally transport my long-arm(s)?

A. All firearms must be transported unloaded and contained in a closed and fastened case, gun box, securely tied package, or locked in the trunk of the automobile in which it is being transported, and in the course of travel shall include only such deviations as are reasonably necessary under the circumstances (<u>N.J.S.</u> 2C:39-6.g).

Q. I want to buy or receive a handgun, what permit is needed?

A. Persons who wish to obtain handguns (including BB/Pellet handguns, muzzle loading and antique pistols) first need to make application for and be issued a Permit to Purchase a Handgun.

Q. How do I get a Permit to Purchase a Handgun?

A. You must apply at a full time police department in the municipality where you reside. If you do not have a local full time police department, you must apply at the State Police Barracks that provides your local police protection.

Q. I live outside of New Jersey; can I apply for a Permit to Purchase a Handgun?

A. No. Federal law prohibits persons from buying or receiving a handgun in any state other than the one in which they reside. Therefore, the New Jersey State Police will not accept applications for handgun permits from non-residents.

Q. Once I have a Permit to Purchase a Handgun, where can I purchase a handgun?

A. You may purchase handguns with your Permit at licensed (both a state and federal license) gun shops within New Jersey. You may also purchase handguns from any private citizen who resides within the State of New Jersey by utilizing the permit.

Q. Can I purchase or receive a handgun directly from someone in another state?

A. No. It is a violation of Federal law for a resident of one state to receive a firearm of any kind from a resident of another state. In order for this type of transfer to proceed legally, it must go through a licensed firearms dealer in the state where the firearm is to be received. In New Jersey, that means the dealer must have both a New Jersey State Retail Firearms Dealer's License and a Federal Firearms License. A firearm transferred in such a manner may either be brought directly to the gun shop, or shipped there by the person in the foreign state.

Q. What form(s) must I complete when I buy or receive a handgun?

A. If you purchase or receive a handgun from a licensed dealer, you must first be issued a Permit to Purchase a Handgun. The dealer will have additional Federal Forms that must be completed. If you purchase or receive a handgun from a private citizen, you must complete the information required on the permit at the time you take possession of the handgun. The seller is required to distribute all copies of the permit to the appropriate jurisdiction as well as to the State Police.

Q. How do I legally transport my handgun(s)?

A. All firearms must be transported unloaded and contained in a closed and fastened case, gun box, securely tied package, or locked in the trunk of the automobile in which it is being transported, and in the course of travel shall include only such deviations as are reasonably necessary under the circumstances. (N. J. S. 2C:39-6.g)

Q. I'm not a policeman, are hollow point bullets legal for me to possess?

A. Yes. They are legal for purchase and to possess in your home or on land owned by you. They are legal to possess and use at the practice range. They are also legal for hunting in certain instances. They are also legal to possess while traveling to and from such places.

Q. I've just been notified I was willed a firearm and I don't have a Firearms Purchaser Identification Card, how can I legally receive it?

A. Persons who are willed a firearm do not need to have a Firearms Purchaser Identification Card or a Permit to Purchase a Handgun to legally take possession of it. N. J. S. 2C:58-3.j stipulates in such circumstances, all that is required is the person receiving the firearm not be subject to the disabilities set forth in N. J. S. 2C:58-3.c. If the intended recipient is subject to any of the disabilities under N. J. S. 2C:58-3.c, he or she may maintain ownership (not possession) for a period of 180 days, so the gun may be sold or transferred to another who may lawfully receive it. The firearm is to remain in the custody of the Chief of Police in the municipality where the heir resides or the Superintendent as the case may be.

Q. I want to go hunting, but don't own a gun. Can I borrow one?

A. Yes. You may borrow (Transfer) a firearm (rifle or shotgun) from the legal owner of such weapon, provided your possession of it is not more than eight consecutive hours in a twenty-four hour period, and provided you are not subject to any of the disabilities as set forth under <u>N. J. S.</u> 2C:58-3.c. The legal owner of the firearm must remain in close proximity to you. The firearm transfer must take place in the woods where you intend to hunt. (<u>N.J.S.</u> 2C:58-3.1). Additionally, you must have a valid hunting license.

Q. What types of firearms are considered assault weapons?

A. A complete list can be found in <u>N. J. S.</u> 2C:39-1.w, as well as <u>N.J.A.C.</u> 15:54-1.2, which may be accessed through the New Jersey State Police web page at <u>www.njsp.org</u> (Follow prompts for the drop down menu of "SERVICES". Locate "Firearms" and in this web page are links to the firearm statutes.

Q. How do I determine if a weapon is substantially similar to a named weapon?

A. The Attorney General of the State of New Jersey determined the term substantially identical means:

A semi-automatic rifle that has the ability to accept a detachable magazine and has at least two of the following:

- A folding or telescoping stock.
- A pistol grip that protrudes conspicuously beneath the action of the weapon.
- A bayonet mount.
- A flash suppressor or threaded barrel designed to accommodate a flash suppressor.
- A grenade launcher.

A semi-automatic pistol that has an ability to accept a detachable magazine and has at least two of the following:

- An ammunition magazine that attaches to the pistol outside of the pistol grip.
- A threaded barrel capable of accepting a barrel extender, flash suppressor, forward handgrip, or silencer.
- Manufactured weight of 50 ounces or more when the pistol is unloaded.
- A semiautomatic version of an automatic firearm.

A semi-automatic shotgun with either:

- A pistol grip
- A folding or telescoping stock **OR**
- A magazine capacity exceeding six rounds

Q. I've just moved into New Jersey and I own several firearms. What permits do I need?

- **A.** New Jersey is a voluntary registration state. A person who moves into New Jersey from another jurisdiction, may keep firearms legally owned prior to the move. No permits or ID cards are needed. There are several conditions that may apply however:
 - 1. If the owner of the firearm(s) is subject to any of the disabilities under <u>N.J.S.</u> 2C: 58-3.c, he or she may only retain ownership for a period of 180 days. He/She must surrender, sell or otherwise legally transfer the firearms he/she owns within that time period.
 - 2. If any of the weapons are considered assault firearms (or high capacity magazines) under New Jersey law, those weapons may not be brought into New Jersey and must be disposed of legally (under the former jurisdiction's laws) prior to the individual moving into New Jersey.

Persons who move into New Jersey may voluntarily register their firearm(s) at their local police department or State Police station as the case may be, utilizing form S.P. 650.

Re: Automatic Approval of Gun Applications

Dear Detective Razzano:

This is in response to your letter concerning provisions in the State's gun laws which provide that gun applications must be approved within a specified period of time or be deemed approved. These provisions should not be read literally. An application should not be prematurely approved before the police investigation is completed just to meet this apparent statutory deadline.

<u>N.J.S.A.</u> 2C:58-3 specifies the procedure that should be followed in determining whether an applicant is eligible for a permit to purchase a handgun or a firearms purchaser identification card for the purchase of rifles or shotguns. The statute further provides that the licensing authority shall conduct an investigation of the applicant and:

... unless good cause for the denial thereof appears, shall grant the permit or the identification card, or both, if application has been made therefor, within 30 days from the date of receipt of the application for residents of this State and within 45 days for nonresident applicants [N.J.S.A. 2C:58-3f].

N.J.S.A. 2C:58-4 specifies the procedure for obtaining a permit to carry a handgun in this State. Included in the statute is a provision that states:

If the application is not approved by the chief police officer or the superintendent within 60 days of filing, it shall be deemed to have been approved, unless the

January 24, 1996 Page 2

applicant agrees to an extension of time in writing [<u>N.J.S.A.</u> 2C:58-4c].

These two statutory provisions in the State's gun control laws have not been interpreted by our courts. However, there are similar statutory provisions regarding other types of applications which can provide guidance as to how they should be interpreted. These provisions have been termed "automatic approval provisions" or "deemed-approved provisions." Our courts have stated that the

application of the s'atutory time constraints [respecting automatic approval] must be anchored in the reason for their existence. The evil which the automatic approval provisions were designed to remedy was municipal inaction and inattention. <u>D'Anna v. Planning Bd. of Wash. Tp., 256</u> <u>N.J.Super.</u> 78, 82 (App. Div. 1992), (quoting <u>Allied</u> <u>Realty, Ltd. v. Borough of Upper Saddle River, 221</u> <u>N.J.Super.</u> 407, 418 (App. Div.1987), <u>certif. denied</u>, 110 <u>N.J.</u> 304 (1988).

"Our courts have repeatedly indicated that such automatic approval provisions 'should be applied with caution.'" <u>Star</u> <u>Enterprise v. Wilder</u>, 268 <u>N.J.Super</u>. 371, 374 (App. Div. 1993), (quoting <u>King v. New Jersey Racing Comm'n</u>, 103 <u>N.J.</u> 412 (1986). The legislative purpose

behind adoption of the automatic approval statutes "would be unjustifiably distorted in a manner patently subversive to the public interest if ... [such statutes] were to be applied in a mechanical fashion." [Allied Realty, Ltd., supra, at 82]

The statutory automatic approval provisions in the gun control laws were not designed to frustrate a police investigation into an applicant's background or to cause the law enforcement agency to conduct a perfunctory investigation in order to meet the apparent statutory deadline. Rather, these provisions undoubtedly were included to ensure that applications would be processed in a timely manner and not deliberately delayed by the agency.

Law enforcement agencies are statutorily charged with the responsibility of investigating a gun permit application to determine whether the application should be denied pursuant to the criteria in N.J.S.A. 2C:58-3c. The gun control laws place the burden of denial upon the agency. The applicant is not required to prove a basis for approval, except for the

January 24, 1996 Page 3

provision regarding a permit to carry a firearm. The provisions for a permit to carry a handgun require that the applicant demonstrate that

he is not subject to any of the disabilities set forth in 2C:58-3c., that he is thoroughly familiar with the safe handling and use of handguns, and that he has a justifiable need to carry a handgun [N.J.S.A. 2C:58-4c].

The fact that a qun permit investigation is not completed within the statutory time period does not mean that the application is automatically approved. This statutory provision just provides the applicant with a means of seeking judicial review of the matter & For example, if the police investigation has been delayed because the department is awaiting a fingerprint check with the FBI, clearly the delay was not the fault of the agency. However, if an agency deliberately delayed the granting of a permit because the department has taken an informal position against the granting of permits, then the court should intercede in the matter.

These statutory provisions should not create problems with police investigations of gun applicants. Police departments should continue with their approved background investigation procedure, including the required fingerprint checks. Where approval by the department will not take place within the statutory time period through no fault of the department, the department should inform the applicant of this fact. The department should explain that it cannot recommend any action until the investigative process is completed and should attempt to obtain the person's waiver of the statutory time period so that the investigation process could continue. Requests for waivers or extensions of time to complete a matter is not uncommon with other governmental agencies that also have statutorily mandated time periods in which to act. For example, zoning boards and planning boards, also are under statutory time periods in which to act and may have to seek extensions to process applications. If the applicant refuses to grant an extension and files an appeal with the court, the department would be required to show that the delay was not caused by the agency but was inherent in the investigatory process.

These "deemed-approved' statutes in the State's gun control laws apparently have not been the source of any significant problems within the State because this matter was not specifically addressed by the Committee to Review Gun Application Procedures in its proposed <u>Gun Permit Manual</u>. This committee had been appointed in 1991 by the State Supreme Court January 24, 1996 Page 4

to review and evaluate the many and varied gun permit application procedures throughout the State and to recommend a uniformed procedure. My office has informed the committee of this matter so that it may determine whether future action may be required.

I hope that the above has clarified the scope of the automatic approval provisions in the gun control laws. If I can be of further assistance, please do not hesitate to call me. My telephone number is (609) 984-2796.

SUBJECT: Application of Armored Car Industry Reciprocity Act

You inquired as to the application of the Armored Car Industry-Reciprocity Act, 15 <u>U.S.C.</u> § 5902, to the following scenario: armored car crew members who live and work in New Jersey are obtaining permits to carry weapons in neighboring States and then cite to the Armored Car Industry Reciprocity Act as the basis for their not obtaining permits in this State.

The Armored Car Industry Reciprocity Act allows armored car crew members to lawfully carry any weapon in any State while such member is acting in the service of that armored car company if, <u>inter alia</u>, the armored car member "has in effect a license issued by the appropriate State agency (in the State in which such member is primarily employed by such company) to carry a weapon while acting in the services of such company in that State." 15 <u>U.S.C.</u> § 5902 (a) (1). Thus, the issue becomes whether these crew members are "primarily employed" in New Jersey. Assuming that these crew members are indeed "primarily employed" by the armored car companies in New Jersey, then they are required to obtain a gun carrying permit in New Jersey under <u>N.J.S.A.</u> 2C:58-4, notwithstanding the Armored Car Industry Reciprocity Act.

Before undertaking any enforcement actions against the employees of these armored car companies, however, you should provide the companies with notice of the above interpretation of the Armored Car Industry Reciprocity Act. You should also provide the companies and/or their crew member employees with the opportunity to demonstrate that said crew members are not "primarily employed" in New Jersey before taking any enforcement action. And, of course, before undertaking any enforcement action you should clear such action with the Division of Criminal Justice. For this you should contact Kimberly Guadagno, Deputy Director in charge of Prosecutions, at 984-0032.

GENERAL INFORMATION AND ACCOUNT SET-UP PROCEDURE

In an effort to assist law enforcement and state agencies with the increased demand for noncriminal justice background checks, the New Jersey State Police (NJSP), State Bureau of Identification (SBI) will begin to process electronic 212A forms on September 3, 2013. The purpose of this is to provide responses and tracking capabilities for all agencies directly online. This should greatly decrease the turn around time and give the agencies access to their submissions at any time. Responses will be sent back electronically to the agencies as soon as the submission is processed. We encourage all agencies to participate in this program. We will continue to provide manual submission formats for individuals that don't have access to the internet. There will be no change in that submission process, and the turn around time goals will be five to ten business days plus mail time.

Prior to participation the Police Department (PD) or Local Licensing Agency (LLA) will need to set up an account for their Originating Agency Identifier Number (ORI number). Only one account can be set up per agency, however there is no limit on the number of users that can be affiliated to an account. The account administrator can initiate the process by sending an invitation email to the user through the "Invite New User" link under the "Manage Account" menu. This provides notification to your employee that you would like to add them to your account. The employee will be provided with a link that will walk them through the steps of setting up a "Business User" account that will be associated with your account. The link can only be used one time. This will enable them to have access to all 212A forms that were submitted for that particular ORI number. All forms submitted online will get queued up in the "Pending Acceptance" work queue. The requests are listed in chronological order with the oldest at the top.

The user can take actions on the pending requests by accessing them through the "Details" link on the work queue. The user will be able to update information on the forms at this time. The following actions can also be taken at this time.

- Save & Accept to save any updates made to the Form 212A and set the status of the request to "Accepted." It will move the request off the PD or LLA "Pending Acceptance" work queue and into the NJSP Criminal Information Unit (CIU) work queue for further action.
- Save This will only save any updates made to the Form 212A. However, the request will stay in the "Pending Acceptance" work queue.
- Reject This will remove the request from the work queue and an email will be sent to the applicant. Once a request is marked 'Rejected' no action can be taken on.

A CIU user can process and update the status of a request only after it has been marked 'Accepted' by the concerned PD or LLA. CIU can mark an accepted request for the following status:

- No Record
- Criminal Record Mailed
- Contact SBI
- Closed

An email is sent to the user who had accepted the request whenever the status is updated by a CIU user. All other users can login to their account and check the work queues. A CIU user marks a request with the status 'Contact SBI' if they need additional information from the concerned PD or LLA. All such requests with your ORI number will be listed in this queue. You need to contact the State Police SBI / CIU at 609-882-2000 ext. 2918 for these requests.

A CIU user can mark a request as 'Closed' along with the reason for marking it closed if they can't process the request. All these requests will get queued in the 'Closed' queue so that the PD or LLA can view them and mark them as 'Rejected'.

A request which can't be processed, whether because it has been assinged to the wrong ORI number or there is insufficient information, needs to be marked as 'Rejected'. Only the PD or LLA can mark a request as 'Rejected' along with the reason for rejection. The applicant is sent an email informing them when a request is marked 'Rejected'. The reason for rejection is only for internal reference.

You will direct the applicant to the website at **https://www.njportal.com/njsp/criminalrecords**/. The applicant will need the ORI number of the PD or LLA., which will be entered on the first page of the application. At this time it is incumbent on the applicant to verify the ORI number. A literal translation will appear and the applicant has the option of continuing or canceling the filing.

If the continue option is chosen, the applicant will fill out the demographics and select the type of background needed. There will be four options:

NJS 2C:58-3. Firearm Licensing Local Ordinance State Agencies Statute for HUD Compliance

If the applicant selects the firearm option, they will be asked to include their State Bureau of Identification number (SBI number) if available, to verify that they have prints on file for a firearm's ID card. If the SBI number is not available and the State Bureau of Identification is unable to find an SBI number, the request will be rejected.

If the Local Ordinance or State Agencies option is selected the "Reason for Filing Request" box must be completed with the appropriate statute, rule or regulation, executive order, administrative code, local ordinance, or resolution. When this is completed, the applicant must then check the agreement box and will have the opportunity to review and make changes before moving onto the payment screen.

If all information is correct, the applicant will then check out. There is a fee of \$20.00 and payment must be made by credit card or electronic check. Once the payment is verified, the applicant will receive a Confirmation & Receipt that will include a confirmation number. The request will then be forwarded to the PD or the LLA for that particular ORI number.

You will find additional instructions in the help section once you set up your account and become a user.

Collector of handguns with a need to purchase or otherwise receive multiple handguns in the same transaction or within a 30-day period in furtherance of the applicant's collecting activities.
