

To: Chief of Police _____

Chief, My name is, _____ and I live at _____.

I applied for a 2C:58-3 Firearms Identification Card and Permit to Purchase a Handgun on ___/___/____. According to the State Police FARS system, my reference emails were returned on ___/___/____ and ___/___/____.

NJSA 2C:58-3f directs that "the licensing authority ... shall investigate ... and, unless good cause for the denial thereof appears, shall grant the permit or the identification card, or both, if application has been made therefor, within 30 days from the date of receipt of the application for residents of this State..." At the time of this letter the we are ____ days from "receipt of the application."

I received an email from the State Police @njportal.com on ___/___/____ that:

Firearms Purchaser Identification Card and/or Handgun Purchase Permit
Application-Application Approved

The confirmation number is _____.

My assumption is that your Firearms Officer is quite busy with other duties, which is understandable and appreciated. However, at this point, only the paper work of filling out the FID Card and the S.P. 671 Permit is left to do. I would appreciate if you would inquire with your Firearms Officer and let me know the status of my permit as soon as possible.

Thank You _____
